CPD ACTIVITY LOG

For Registered Provider No: 23102

MedPro Training Center

This document certifies that MedPro Training Center is an Official Accredited Provider recognised by the CPD Standards Office.

The table below outlines the independent CPD accreditation awarded to each learning activity.

Individuals who complete a CPD-accredited learning activity are eligible to request an official CPDSO Certificate of Attendance, provided as a standard template for all accredited activities. This certificate can then be included in a formal CPD record for submission to professional institutes, regulators, or employers.
