### Blessings to our new member!

Welcomed to the family of the National Hispanic Pastors Alliance! We're so excited to have you on board this amazing movement that God is creating to bless our faith, community, and nation. We look forward to walking together as we seek to advocate for our faith, develop leadership and serve our communities effectively. In these crucial and unprecedented moments in the life of our nation and our culture, we are calling leaders from across the nation to join forces with NAHPA, and together represent our faith, our values, and our community, and we are so blessed that you have answered the call.

We ask our members to keep NAHPA and our plans in their prayers, to be a part of our activities, and then we invite them to be a part of our work. So feel free to reach out to us, and see the existing opportunities within the organization to serve and participate in our exciting work. NAHPA is also focusing on developing our leadership by creating opportunities for pastoral and professional development such as conferences, webinars, trips to Israel, and special invitations.

We encourage you to take advantage of these special events. We'll be following up with a biweekly newsletter that will bring announcements, upcoming events, articles, and updates on what we are doing, so keep an eye out for that! Be sure to add this email address ([info@nahpa.us](mailto:info@nahpa.us)) to your contact list to avoid missing out on any important messages and exclusive content! Also download our App, to keep up with the day-to-day information.

Should you need any assistance or have questions about your membership, please feel free to contact us at (202) 925-1915 or email us at [info@nahpa.us](mailto:info@nahpa.us)

Many blessings to you and thank you for being a part of the NAHPA family.  
Please do not hesitate to reach out to me at [Carlosduran@nahpa.us](mailto:Carlosduran@nahpa.us)

**Sincerely,**

**Founder & President**
