## Verification of Practical Training Experience

This letter verifies the nature of the Practical Training Experience in Teaching English to Speakers of Other Languages (TESOL) completed through the Brook Hill Training Institute.

As part of this practicum, participants:

- Taught live online lessons to English language learners.
- Completed training on effective online instruction.
- Observed lessons taught by professional educators.

The practicum is designed to provide hands-on teaching practice, exposure to best practices in online education, and opportunities for reflection and professional growth.

Certificates of completion are issued to participants who have fulfilled all program requirements.
