The Hawai'i Leadership Academy provides senior leaders with the fast-track, high-impact program they need to elevate their skills. Prepare for increased responsibility in just five weeks.

The Hawai'i Leadership Academy is an exclusive program designed for Hawai'i's leaders who are ready to develop and expand their executive skill sets. Tailored for director-level professionals and above, from all industries across the state, this academy offers strategic leadership growth, professional development, intentional networking, and direct exposure to Hawai'i's top leaders. We are excited to launch our inaugural cohort in **Fall 2025**.

Hawai'i Leadership Academy:

- A five-week, in-person, half-day dynamic program designed to elevate careers.
- Consists of five immersive Friday sessions from **September 12 - October 10, 2025**.
- Offers a personalized and impactful experience with a limited cohort size for greater engagement.

This exclusive academy is crafted for ambitious professionals, providing opportunities for personal and professional growth, leadership development, and insights from esteemed C-suite guest speakers.

Participants will benefit from:

- Personal and professional development by harnessing their innate leadership strengths.
- Engaging guest speakers who will provide fresh perspectives and invaluable leadership insights.
- A powerful professional network, connecting with like-minded peers from diverse industries and organizations.

This transformative experience is designed to inspire growth, expand leadership potential, and foster meaningful connections.
